HOUSE

ANNUAL REPORT 2021

FIGHTING POVERTY LIFTING LIVES

That's what we do. And more.

It's more than distributing 3 million meals, serving 25,000 clients, or meeting a 400% increase across our most critical programs during a world-wide pandemic.

It's about restoring hope and dignity, providing help where it's needed most, and rebuilding futures.

25,000 clients

served during COVID (versus 15,000 pre-COVID)

400% increase

**SAMARITAN
HOUSE**

What an incredible year we have had at Samaritan House. Thank you for your support. Together, we seized the challenges as opportunities to innovate and become more efficient, effective and impactful for families in San Mateo County.

Bart Charlow, CEO, LMFT

When we reflect back, we remember not just the COVID crisis we are still living through but also the stories of our community coming together in a time of extraordinary need. Every donation and every volunteer hour has made a world of difference for our neighbors. We've achieved so much together and it's only been possible because of you and your compassion for others.

While many are beginning to think about life after the pandemic, we know this is far from over. Every day, new families – including many who've never had to ask for help before – are still coming to us for the first time. COVID has created a new normal for all of us, but for those already living in poverty, the road to recovery will be longer. Unprecedented need in our community persists and we will be there to meet it – with your help.

The five stories shared in this report illustrate the real people inside the numbers – parents, grandparents, and children who survived because folks like you stepped up. Thank you for being with us – and with them. We are better together.

Davina Hurt, Samaritan House Board of Directors,
President 2020-2022

//

I want to thank Samaritan House, who brought hope and food to me when I lost my job and income. I am thankful to the volunteers who are out there in the sun and cold to serve the people of the community.

FOOD

3 million meals

Luis and his wife, Luz, were living in a motorhome at the beginning of 2020. They were able to park free of charge at a local office park in exchange for maintenance duties. Luz split her days working for two department stores at Hillsdale Mall. Luis worked at a local café part time.

When COVID-19 hit, Luis and Luz were among the first to lose their jobs. Unemployment and stimulus checks provided some relief but not enough to keep them afloat. In their moment of need, their son told them about Samaritan House.

Luis and Luz began coming to Samaritan House for food in June of this year. "I'm so, so thankful to Samaritan House. Happy to have you as friends. Every time I go there, you give me flowers for my wife... You give to the people so much help. Not just food, but kindness too." **Getting food every week from Samaritan House helped them survive while jobs continued to be scarce.**

Today, Luis is employed again, though not full time. He'll be looking for a second job. Meanwhile, Luz is still unemployed and looking for work. Samaritan House will continue to help until they are back on their feet.

SHELTER

2X shelter beds

Edwina and Demetrio, both 72, lived in their car. They struggled to make ends meet and used food services to keep themselves fed. During the pandemic, they lived with the stigma of being homeless. “I wouldn’t wish being homeless on anyone. Your own friends treat you like you’re dirty. We are not dirty. We are people.”

It was during this challenging time that they learned about Samaritan House. At Samaritan House, they were able to get into an emergency shelter and get the help they desperately needed. With the assistance of their case manager, Jorge, **they were able to save some money and get into permanent housing.**

Along every step of the process, Jorge was with them. “Jorge was like an angel. He never gave up on us.” With his support and the resources Samaritan House provided, Edwina and Demetrio now have a place to call home.

//

We were living with no money. We have social security checks but it's barely enough for food...Samaritan House saved our lives. I'm just so grateful.

- Demetrio

//

//

I think it will take until late 2022 or 2023 until I am back to where I was. Until then, we will do whatever it takes to provide for our family. If it wasn't for Samaritan House and the generosity of our East Palo Alto community, I know that the three of us would be homeless.

- Rudy

//

\$10M in financial assistance

Rudy and his wife, Maritza*, both worked full-time jobs. Rudy was employed by a moving company working 60 hours a week and Maritza worked as a housekeeper. They lived with their 17-year old son, Leonel, a senior at a local high school.

Life changed forever in March 2020. Both Rudy and Maritza lost their jobs and were left with only their modest life savings to get by. Rudy picked up some work hours, but it was sporadic. The occasional income wasn't nearly enough to cover their basic expenses. By August 2020, they had depleted their life savings and were falling behind on rent. Rudy sought help wherever he could find it, and this search brought him to Samaritan House. "Everything came together when we found Samaritan House."

Samaritan House helped Rudy and Maritza with December and January rent, **giving them support when they needed it most to stay housed and fed.** "Samaritan House South helped us keep our apartment and we also received groceries from them."

Today, work has ramped up for both Rudy and Maritza. Rudy is still working less hours than he once was, but he is very grateful to be employed again.

CHILDREN

30% increase
in families with
children served

Sandra, her husband, and their two children were living comfortably on her husband's salary as a construction worker. When the pandemic hit, her husband lost his job. Paying for the basic necessities of life became a struggle. From school supplies to keeping food on the table, it was impossible to manage alone. When Sandra's family needed help, Samaritan House was there. With Samaritan House, some of the weight was taken off a very stressful situation.

Every time Sandra needed help, she knew it was just a phone call away. This year is the second year her son received a backpack and school supplies from Samaritan House. Sandra is grateful for the support she and her family receive, both during the back-to-school season and all year round.

Today, her husband is working again, and they're trying to get back on their feet. Throughout their journey, Samaritan House will continue to be there for Sandra and her family when they need it. Sandra says, "Samaritan House helped my family feel much happier, comfortable, and not as worried."

Samaritan House helped me and has really helped a lot of families... We get food, we get clothes, we get backpacks, we get a gift card for Christmas. We get what we need in every season.

- Sandra

//

Now I know everyone here, they're all my friends. Thank you, Samaritan House, for taking good care of me.

- Pelenaise

HEALTHCARE

165% increase in
mental healthcare
services provided

Pelenaise and her husband both worked part-time, with no healthcare benefits. When she needed to see a doctor, a member of her church told her about Samaritan House's Free Clinic of Redwood City and San Mateo. During her first clinic visit, she was diagnosed with diabetes. Sensing that she was overwhelmed by the diagnosis, the clinic staff at Samaritan House was ready to help her navigate her new health status.

The clinic provided her medication and insulin, and her physician, Dr. Safai, taught her how to manage her diabetes. Whenever Pelenaise needed care, she was able to talk to Dr. Safai. "She worries about me and my diabetes. She takes care of everything." As part of her medical care, Pelenaise was also taught how to manage her diabetes with nutritious food choices. Every week, she is able to get a "food prescription" for healthy food from the Food Pharmacy, an innovative program housing on-site pantries stocked with fresh produce, whole grain foods and high-quality-protein. **Thanks to Samaritan House and Pelenaise's healthier lifestyle, she no longer requires insulin.**

Pelenaise is thankful to Samaritan House for their continued care.

DR. CORA CLEMONS AWARD

We are proud to announce the establishment of the Dr. Cora Clemons Emerging Young Samaritan Award. The Dr. Cora Clemons award is inspired by the community service work and selfless spirit of our founder, Dr. Cora Clemons, R.N., M.F.C.C., M.P.H., Ph.D. In 1974, Dr. Clemons was concerned that basic social services of food, housing, and medical care were difficult to access. She saw a need and took action. Today, Samaritan House is more dedicated than ever to respecting and fulfilling her vision by fighting poverty and lifting lives.

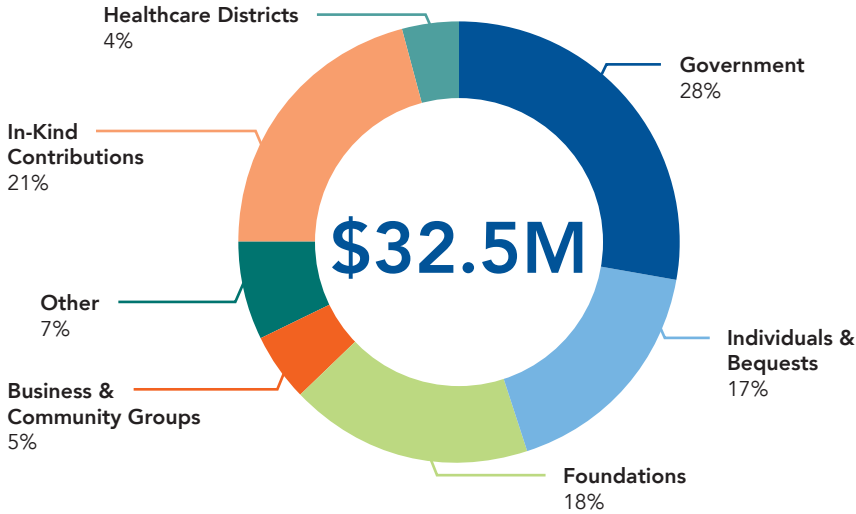

This annual \$2,000 award recognizes young changemakers, 16-22 years old, in San Mateo County, whose community service work models Dr. Clemons' commitment to service. The award committee sought nominees who take the initiative to make an impact in their community and who exemplify the value and power of compassion and empathy. We look forward to presenting the first Dr. Cora Clemons Award at 2022's Main Event next spring.

As San Mateo County's primary provider of rental assistance and largest non-profit distributor of food to the poor, we play a critical role in stabilizing thousands of families in our community. We have effectively used the funds raised so far to keep pace with the demand, but we also know this is far from over. We invite our community to stand with us in resilient compassion toward our less fortunate neighbors, fighting poverty and lifting lives today and into the future.

Our family has supported the mission of Samaritan House for decades, and we plan to continue supporting their work for years to come as donors and volunteers. When Joyce and I joined the John Kelly Legacy Circle by including Samaritan House as a recipient of our living trust, we were investing in the longevity of an organization and cause we care deeply about.

- Jay Strauss, Samaritan House Advisory Council Member

JOHN KELLY LEGACY CIRCLE

We rely on leadership and collaboration from people like you to address complex issues faced by those living in poverty. Making the decision to prepare a legacy gift gives you the opportunity to provide lasting, positive change in thousands of lives for generations to come. Legacy donors are invited to join Samaritan House's John Kelly Legacy Circle. We gather Legacy Circle members each year to honor member contributions and to show how legacy gifts support improvements in our programs and in the community. To join the John Kelly Legacy Circle, all you need do is tell us that you have included Samaritan House in your estate plan, whether by your will, trust, retirement plan, bank account or other means.

Legacy Circle members inspire others to look toward the future and learn how they, too, can have a lasting impact in the lives of our neighbors who are less fortunate. We hope that you will allow us to thank and recognize you in Samaritan House publications and communications. If you choose, we will respect your wish to remain anonymous.

Please let us know if you have any questions or would like to explore your family's priorities, hopes and dreams to make the community a better place for all. Give us a call, in confidence, at 650.523.0817.

We are encouraged by the staff and volunteers at Samaritan House and their deep commitment to making our community the best it can be. Our [legacy] gift means that Samaritan House services will bring hope and opportunity to others beyond our lifetime.

- Jay and Joyce Strauss
